

5th World Congress on
Targeting Mitochondria
Berlin, Germany - October 29 to 31, 2014

List of Academic & Industrial Participants

“Victor Babes” University of Medicine and Pharmacy

Academy of Sciences of The Czech Republic

Albstadt Sigmaringen - University of Applied Sciences

Alma Mater Studiorum - Università di Bologna

Bar Ilan University

Bayer Pharma

Beiersdorf

Ben Gurion University

Biomedical Center Speyer

Bispebjerg Hospital

Center for Human Drug Research - University of Leiden

CETICS Healthcare Technologies

Changhua Christian Hospital

Charity Universitätsmedizin

Charles University

Cincinnati Children's Medical Center

5th World Congress on
Targeting Mitochondria
Berlin, Germany - October 29 to 31, 2014

Clinical Pharmacology University Basel

CLR - Chem. Lab Dr. Kurt Richter

CNDD

CNRS

College of Natural Sciences

Dalhousie University

Departement of Intensive Care Medicine

East Carolina University

ETH Zurich

Fondazione IRCCS Ca' Granda Ospedale Maggiore Policlinico

Fukui Prefectural University

Fundacion Profesor Novoa Santos

Ghent University

GlaxoSmithKline

Goethe University

Gothenburg University

Grupo Boticario

Hacettepe University

HanAll BioPharma

Hasselt University

Helmholtz Zentrum München

Helsinki University

HNO-Klinik, Charité Campus Mitte

Hokkaido University

ICDD

IFA Tulln

Imperial College

Innsbruck Medical University

5th World Congress on
Targeting Mitochondria
Berlin, Germany - October 29 to 31, 2014

INRA GABI

Inselspital Bern

Institut Pasteur

Institute for Atherosclerosis Research

Institute for Clinical & Experimental Medicine

Heinrich Heine University

Institute for Neurosciences of Montpellier

Institute of Clinical Cardiology

IRCCS - Istituto di Ricerche Farmacologiche Mario Negri

IUF - Leibniz Institut für umweltmedizinische Forschung

Jagiellonian University

Jena University Hospital

Karolinska Institutet

Kawasaki Medical School

King's College London

Laegeklippen

Leibniz Institut für Neurobiologie

Leiden University Medical Center

Lifegen Technologies

Liggins Institute, University of Auckland

LSU Health Sciences Center Shreveport

Ludwig Maximilian University of Munich

Lund University Medicine Faculty

Massachusetts General Hospital

Max Planck Institute for Evolutionary Anthropology

Max-Planck Institute for molecular physiology

Medical Research Council

Medical University of Lodz

5th World Congress on
Targeting Mitochondria
Berlin, Germany - October 29 to 31, 2014

Medizinische Universität Innsbruck

Mitochondrial Biology Unit

Muséum National d'Histoire Naturelle

National Institute on Deafness and other Communication Disorders

National Research Institute of Chinese Medicine

Nestlé Institute of Health Sciences

NeuroVive Pharmaceutical

New York University School of Medicine

NIA, NIH

NMI Reutlingen

Novartis Institute for Biomedical Research

NYU Langone Medical Center

Otto-von-Guericke-Universität Magdeburg

Paracelsus Medical University

Perinatal Imaging and Health

Preventive Medicine

Provital

Research Center for Obstetrics, Gynecology and Perinatology

Russian Academy of Sciences

Sabancı University

Salzburger Landeskliniken Betriebsgmbh

SANOFI

Seahorse Biosciences

Shantou University Medical College

SILAB

Slovak Academy of Science

Stellenbosch University

Sumitomo Dainippon Pharma

5th World Congress on
Targeting Mitochondria
Berlin, Germany - October 29 to 31, 2014

Sydney Medical School

Technion - Israel Institute of Technology

Technische Universität München

The Community Health Clinic

The Hong Kong University of Science and Technology

The University of Edinburgh

The University of Queensland

Third Faculty of Medicine, Charles University

Tisch Cancer Institute, Mount Sinai School of Medicine

Tokyo Metropolitan Institute of Gerontology

UAB

UC Irvine

UCL Institute of Neurology

Ulm University

Univ Puerto Rico School of Medicine

University of Tuebingen

Universidad de Chile

Universidad Politecnica de Madrid

Universidade da Coruna

Universita Politecnica delle Marche

Universität Regensburg

Université Claude Bernard Lyon I

Université de Montréal

Université Pierre et Marie Curie

Universiti Kebangsaan Malaysia

Universiti Teknologi MARA Malaysia

University College London

University Heidelberg

5th World Congress on
Targeting Mitochondria
Berlin, Germany - October 29 to 31, 2014

University Hospital Basel

University Hospital Bern

University hospital Regensburg

University Hospital ULM

University Magna Graecia

University of Aberdeen

University of Alabama at Birmingham

University of Amsterdam

University of Bari

University of Basel

University of Bath

University of Bergen

University of Bern

University of California

University of Coimbra

University of College Cork

University of Copenhagen

University of Debrecen

University of Eastern Finland

University of Edinburgh

University of Ferrera

University of Fukui

University of Gifu

University of Gothenburg

University of Helsinki

University of Houston

University of Hradec Kralove

University of Illinois at Chicago

5th World Congress on
Targeting Mitochondria
Berlin, Germany - October 29 to 31, 2014

University of Liverpool

University of Luxembourg

University of Namur

University of Naples "Federico II"

University of Oslo

University of Oulu

University Of Padova

University of Palermo

University of Pecs

University of Regensburg

University of Rome La Sapienza

University of Strasbourg

University of Tartu

University of Tokyo

University of Torino

University of Udine

University of Ulsan

University of Urbino

University of Vermont

University of Veterinary Medicine Vienna

University of Warsaw

University of Westminster

University of Wrocław

Universtiy of Debrecen

UZ Leuven

Wageningen University

Wayne State University

WeillCornell Medical College
